*Statutory fees are only prescribed for matters in respect of which parishioners have a legal right. Not all services come into this category, for example funerals where there is a period of more than 48 hours between the funeral service and the cremation and between the cremation and the disposal of ashes. This also applies to special services such as memorial services and services of blessing and dedication following a civil marriage. The Archbishops' Council recommends that, where a memorial service is on a similar scale to a funeral service, or a service of blessing and dedication following a civil marriage or a renewal of marriage vows is on a scale equivalent to a wedding service, the PCC fee should be based on the statutory fee for the service, with the PCC receiving the equivalent of the combined DBF and PCC fee.*
